Instructions for Assessments:

➢ **The candidates taking the assessment should take it seriously and should not involve in any malpractice.**

➢ **Camera is mandatory to take up the assessment and the entire test will be remote monitored & proctored.**

➢ Use **Chrome browser** for assessment.

➢ Clear complete **browser history** before start of the assessment.

➢ The system should have a **good internet** connection. In case, there is an internet disconnect during the assessment, then the test and timer automatically stops and resumes post re-connection.

➢ Do NOT try to relogin again after the test starts unless informed.

➢ Do NOT press F5/Refresh during anytime of assessment, unless informed in any popups. Pressing F5/refresh during the assessment will finish the assessment.

➢ Assessment will be monitored throughout and **do not take a break in-between** the assessments.
➢ Request you not to indulge in any kind of **unfair means** during the assessments.
➢ Please use the email id that you have **registered with Wipro**. If you use any other email id, you will not be able to take the test.
➢ In case, if you get disconnected due to **network connectivity** issues in between, do not panic, close the browser window without clicking on the finish button. Once your internet connection is back, you can resume from wherever you have left. If you click on finish test, your **test will be submitted** and you cannot give it again.
➢ In case of any issues during assessments kindly inform your mentor -

ALL THE BEST !!!
